Dear Parents/Carers

Re: Resignation from substantive Headteacher post at Blean Primary School

I am writing to inform you that, after much thought and deliberation, I have made the decision to resign from my substantive Headteacher role. My retirement, as a full time Headteacher, will enable me to spend more time with my granddaughter, expected grandchild and my family.

As I reflect on my time at Blean, I feel privileged to have been Headteacher for the past eight years and proud of the journey that I both led and managed throughout this time with the help and support of a wonderful and talented staff team. I would like to thank the Blean staff team for their support, commitment and friendship throughout my time here.

Shared leadership and management are crucial for schools to be effective and I would also like to record my thanks to Rachael Foster for her contribution to the success of the school. Together we have achieved Teaching School designation, which has opened up a host of further opportunities for the school in the future and I feel this is the right time for a passionate successor to continue this exciting phase.

My thanks to all of you and our pupils (past and present) for making my time at Blean School so interesting and enjoyable. It has been such a pleasure to contribute to the development of so many delightful pupils over the years. Finally, I would like to thank the Governors wholeheartedly for their hard work, support and the opportunity to lead Blean School.

The school has become very dear to my heart and I will leave with a great many memories. I wish the school all the very best for the future and I have the utmost confidence that the school will continue to flourish in the future.

Yours sincerely

Lynn Lawrence
